

I was scared.

I have turned my back on my ethics [REDACTED] There are things we have done that have felt awful and uncomfortable pictures of little kids, you talking about me having sex with [REDACTED] and his friends, me in a gangbang, glory holes, sex clubs.... so much has felt so wrong.... and you say it is all pillow talk and it is so confusing to me

I'm sorry

I don't trust you to not hurt me for how I feel

Or make me feel guilty

I understand that.

I just feel sad and numb

I'm sure

So incredibly sad

Delivered

I'm sorry I haven't been better to you.
